Dakota 911 Conference

2010

April 6-8

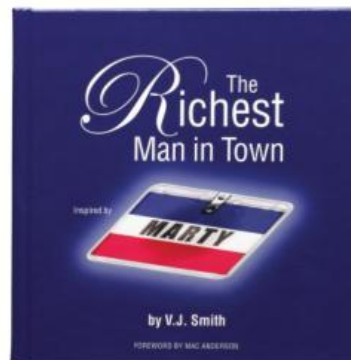

April 6-8, 2010

Holiday Inn City Centre

MANAPCO featured entertainment: Deuces Wild! Dueling pianos

Dr. Kevin Gilmartin is a behavioral scientist with a specialty in law enforcement and public safety consultation. His presentation allows participants to understand how they experience complex biological reactions, see the effects of the hyper-vigilance diminish after working so many hours, and learn how to recognize and overcome these symptoms in a positive manner.

Keynote Speaker: VJ Smith, author of The Richest Man in Town. Well known for reflecting on ethical issues people face in their business and personal lives.
